Gentlemen,

I am anxious to get copies of all the speeches made at your 1963 meeting in Miami in November of 1963. Can you supply me with a copy?

Should you want it returned, I will do so.

If you do not still have copies, are there any on file in the Washington area to which you can refer me?

Or, have you knowledge of libraries which have both copies of these proceedings and Xeroxing facilities?

Thank you for any help you may provide

Sincerely yours,

Harold Weisberg
